PROFESSIONAL EXPERIENCE

Master Works | Riyadh / Remote (Based in Kuwait)

Solution Architect / Strategic Consultant | May 2024 – Present

- **Strategic Design:** Lead client workshops to define project goals and architectural vision, aligning executive stakeholders on technical possibilities and business outcomes.
- **ROI Delivery:** Conducted comprehensive cost-benefit analyses for cloud migrations, achieving a 20% increase in system efficiency and cost savings for enterprise clients.
- **Collaboration:** Partnered with functional teams to translate complex business needs into executable designs and Statements of Work (SOW), ensuring clear implementation paths.
- **Governance:** Established governance frameworks for Azure cloud adoption, ensuring compliance with organizational security standards and acceptance criteria.

Kuwait Civil Service Commission | Kuwait

Senior Software Consultant | Mar 2023 – Apr 2024

- **Digital Transformation:** Led the strategic initiative to develop a National Employee Portal, centralizing information management for government sectors.
- **Integration Strategy:** Designed the integration roadmap connecting the CSC system with multiple government entities, streamlining operations and data flow.
- **Stakeholder Engagement:** Managed relationships with key government stakeholders, delivering status reports and adapting roadmaps to address emergency use cases.
- **Standardization:** Implemented project governance standards and standardized release workflows across multiple development teams.

Public Authority of Manpower | Kuwait

Senior Software Consultant | Mar 2020 – Feb 2023

- **Strategic Planning:** Developed strategic methods for the modernization of enterprise systems, moving legacy workflows to efficient digital platforms.
- **High-Scale Projects:** Oversaw the high-scale integration between PAM and external government systems, ensuring data integrity and reliable service delivery.
- **Mentorship:** Mentored team members on best practices, fostering a culture of continuous improvement and professional growth.

Pexel Systems / Egogawa | Kuwait / Bahrain

Team Leader & Consultant | Mar 2016 – Jan 2020

- **Content Services:** Led the development of a Content Management System (CMS) and search engine for local businesses, directly supporting information accessibility and user engagement.
- **Client Success:** Managed cross-functional teams to deliver projects within budget and timeline constraints, resulting in increased client satisfaction and sales conversion.
